CRA Opportunities

The WCRA is a lending consortium which allows your organization to receive CRA Credit for participating in the loans the WCRA makes on your behalf.

The WCRA has three loan pools providing CRA Credit opportunities including the following programs:

- Affordable/Low Income Multi-Family Rental Housing including mixed use properties
- Economic Development Loans
- Special Needs Housing

In addition to the three lending pools, the WCRA also offers Private Placement Bond Investments; a Tax Exempt Investment Program for 501(c)3 nonprofits to provide financing for affordable housing and real estate based economic development projects. As a member, the WCRA makes these Investment opportunities available to you.

Contact us for opportunities to participate in WCRA Committees, such as the Criticized Credit Advisory Committee and the Loan Committee.
